ALARM APPLICATION

The Lower Heidelberg Township Board of Supervisors has approved Ordinance No. 218 with amended Ordinance No. 269: Alarm and Alarm Systems." The purpose of the ordinance is to standardize the use of alarm device systems within the Township, to minimize false alarms and provide pertinent information to public service personnel.

The Ordinance requires that any property owner, lessee of property or person otherwise occupying a premise having an alarm device must register the device with the police department. The cost of the alarm device permit application is Ten Dollars (\$10.00).

Failure of an owner or lessee to obtain an alarm device permit will constitute a violation of the ordinance and could, upon conviction, result in fines and court costs. If you no longer have an alarm system in your home, please let us know.

Please complete the application enclosed and submit the fee of \$10.00 along with the application to the Lower Heidelberg Township Police Department.

Your police department appreciates your prompt attention to this matter.

Respectfully,

W. Thomas Deiterich Chief of Police
