

Get ready for Fall

# LEAF COLLECTION

Starting October 13th 2025

Place leaves along the curb in front of your house. Leaf piles that contain debris will not be collected. Do not place grass clippings, soil, yard plants, stones, bricks, trash, branches, or animal waste among the leaves. The leaf collector is designed to pick up leaves only and may become damaged by picking up these other items. Please note that Road Crew cannot pick up any leaf piles that have a vehicle parked directly in front of or behind the leaf pile.
